

## Performance Based Learning

Camp Rock's day camp is the most comprehensive rock music program out there for guitar, bass, drums, horns, keyboards and vocalists. (Ages 11 – 17, with at least 6 months experience required.)

Camp Rock's day camp offers aspiring young musicians the opportunity to explore self expression and gain confidence in a fun and safe learning environment.

**Ken's guitar School of Rock is an Anchorage School District Approved Vendor.** This is for students currently registered and attending one of ASD Home school programs like Frontier Charter, PAIDEIA or Family Partnership. Ask for details.

**Although the shorter** one day and 1/2 day camps are less intense than 5 day Camp Rock, Campers will have the opportunity to interact and learn teamwork skills through being in a band with other young musicians.

**Camp Rock's** unique music program is for all skill levels (must have at least 6 months of experience.) Whether your music choice is Classic Rock, Metal, the Blues, Country Rock, it is all at Camp Rock!

Campers will learn their instrument from an expert, play cover tunes, video themselves, learn music theory, and play a real live concert for the parents at our studio at the end of camp!

## Camp Rock

Camp Rock is the ultimate music collaboration camp for young musicians ages 11 to 17. It's an exclusive experience where all classes are taught by Master Guitarist Ken Julian.

An intensive hands on learning opportunity where students grow and are motivated to go beyond the average. Unlike most summer camps that have dozens of participants our classes are limited to only 8 students. Offering your son or daughter personalized, structured instruction, an experience that will last a lifetime and open doors to become an accomplished individual.

Ken plays guitar and is the musical director for the Anchorage based band Locomotion. We tour the state and play at a variety of events, festivals and private clubs.

Ken is a professionally accomplished player who has toured the USA and Canada. He holds a Master Degree from Embry Riddle University.

Ken recently attended a five day guitar lesson camp in January 2017, hosted by four time Grammy award winner Steve Vai. Also teaching at the camp was Al Di Meola, Zakk Wylde and David Bowie's guitar player Carlos Alomar.

It was a once in a lifetime opportunity to play a small concert venue and receive guitar lessons with the Master Steve Vai and company.

More importantly, Camp Rock offers the opportunity to improve performance skills, build self-confidence, meet other musicians and learn valuable team building lessons that last long after camp is over. Sessions fill fast so early enrollment is suggested.
